- 1.3. Инновационные технологии обучения иностранным языкам.
- 1.4. Технологии дистанционного обучения иностранным языкам.

Раздел 2. Английский язык

2.1. Teachers.

- What are the qualities of a good teacher?
- Why do you think people become teachers?
- What do you think it takes to be a good teacher?
- Would you rather learn from a young teacher or an older teacher?
- If you were going to be a teacher, where would you like to teach?
- What kind of formal training do teachers need in our country?
- What are the major characteristics you think a teacher should have?
- What do you remember about your teachers?
- Who was your favourite teacher?
- What teacher impressed you most?
- Do you still stay in touch with your teachers?
- Did you have any teachers you didn't like?

2.2. Education.

- Did you go to college or university?
- Where did you go?
- What did you study?
- Did you work while you went there?
- If you did, what made you decide to go to the college?
- Was it harder to study at university than at school?
- What did you major in? Why did you choose that major?

- What are the skills that separate good students from bad students?
- Do you think your teachers gave too much homework? How much homework should teachers assign students?
- Do you think it is easier to learn as a child or as an adult?
- Does education guarantee a good job?
- What are the qualities of a good student?
- What improvements does the school system need?
- Once you graduate from a university should you stop learning?
- In what ways can a person continue to learn?
- Can you teach someone who has no desire to learn?
- What does your education mean to you?
- Should education be free?
- Was your school strict?
- What did you like best about your school?
- What did you like the least about your school?
- What were some of the rules you had to follow at your school?
- Which subjects do you think are not useful or needed anymore?
- Did you make friends at school that you still keep in touch with?
- What subjects were you good at?
- What subjects were you bad at?
- What's your biggest motivation for your university life?
- What is the biggest difficulty in being a college student?
- Why is a university education important?
- What does a university education provide?
- Which class or subject is most important for your future job?
- What is your favorite class or subject? Why?

2.3. Learning a Foreign Language.

- Do you think English is a difficult language to learn?

- How often do you practice your English?
- What is your favourite way to practice English?
- What is the most difficult thing about English?
- Why are you learning English?
- Do you think that English will completely dominate all the other languages in the future? If yes, how will it affect the world?
- How do you use the Internet to learn English?
- What is your favourite way to practice your English?
- What do you think you will be able to do in English in the future?
- How can the English language help you advance in your career?
- Is it possible to understand and write well but not be able to have a conversation?
- Why do some people have more difficulty than others when learning a language?
- To what extent do you agree that it's better to learn language as a child? Why or why not?
- How important is it to know something about the culture of a country to speak its language well?
- Are there any words that are similar in different languages?
- When you travel to a foreign country, is it always easy to use your foreign language?
- How can the Internet be a helpful tool when learning a foreign language?
- Is it good to sit an exam that shows your level in English?
- Can you learn a language by watching television?
- Can a good teacher influence how well you enjoy learning a language?
- Is it possible to teach yourself a language?
- What careers are possible if you speak a foreign language?
- What personal qualities do you need to be an effective language learner?
- Is knowing grammar more important than knowing vocabulary?
